1	Resumption of light training for members during Summer	Welcoming back members from the short break and social interaction	19-May-23	6
2	Weekly training & practice	Training for the students that were learning how to play and those that knew and enjoy the game. Practice was carried out every Thursday at 6pm to 8pm though due to the complexity of the 6 week summer semester courses, members would also play on any other days as long as they had a counterpart to play with. Biggest challenge this semester was the shortage of playing rackets as the members increased yet we had only 5 rackets for the club.	25-May-23	9
