

MSc in Public Policy at Reading

A VERY WARM WELCOME FROM

Giovanni Razzu

Professor in Economics of Public Policy
Department of Economics

Director of the MA in Public Policy

Do contact me for any questions: g.razzu@reading.ac.uk

MASTERS IN PUBLIC POLICY

- **Using an interdisciplinary approach, this course uses traditional and modern insights from both economics and politics to develop essential skills needed in policy-making.**
- The MSc Public Policy is designed to give you the tools to understand and assess a wide range of public policy issues.
- It's a flexible course that allows you to combine modules from different pathways or choose to specialise in one of the following pathways:
 - welfare and social policy
 - sustainable environments
 - international development and emerging markets
 - global and regional governance and institutions
 - security and rights in the modern world.

MASTERS IN PUBLIC POLICY

Core module (60 credits):

- Economics of Public Policy
- Politics of Public Policy
- Research Methods (Quantitative or Qualitative method - ACCREDITED)

Dissertation (40 credits)

Capstone or Placement project (20 credits)

Optional Modules* (60 credits) from Pathways:

- Welfare and social policy
- International Development
- Security and Governance in a global world
- Sustainable Environment

*These modules are provided as a taster of some of the modules that may be available on the programme.

PLACEMENT OR CAPSTONE PROJECT?

• Placement

- 20 credits
- Students select PIM92
- Spend at least 70 hours at placement host (external organisation) typically:
 - a ½ or 1 day per week for a number of weeks
 - or full time from summer term
- Write up a placement project based on experience gained of 3,000-4,000 words by mid-Sept

• Capstone Project

- 20 credits
- Students select ECM200
- Part of student project team with meetings with Capstone organisation
- Complete group project plus in some cases a presentation for the organisation
- An academic will supervise the project
- Project timings depend on organisation – typically between mid Jan and August
- Individual submission by mid-Sept

CAPSTONE

- Students work in a small group overseen by an academic supervisor
- Students complete a project on behalf of a client
- Module aims to give the students an opportunity to synthesize and apply their knowledge
- Students will prepare a output depending on the organisations requirements, for example a report or a presentation
- Individually students will have to submit a written report on their project of 3,000 words

CUMBERLAND LODGE WINDSOR STUDENT RETREAT

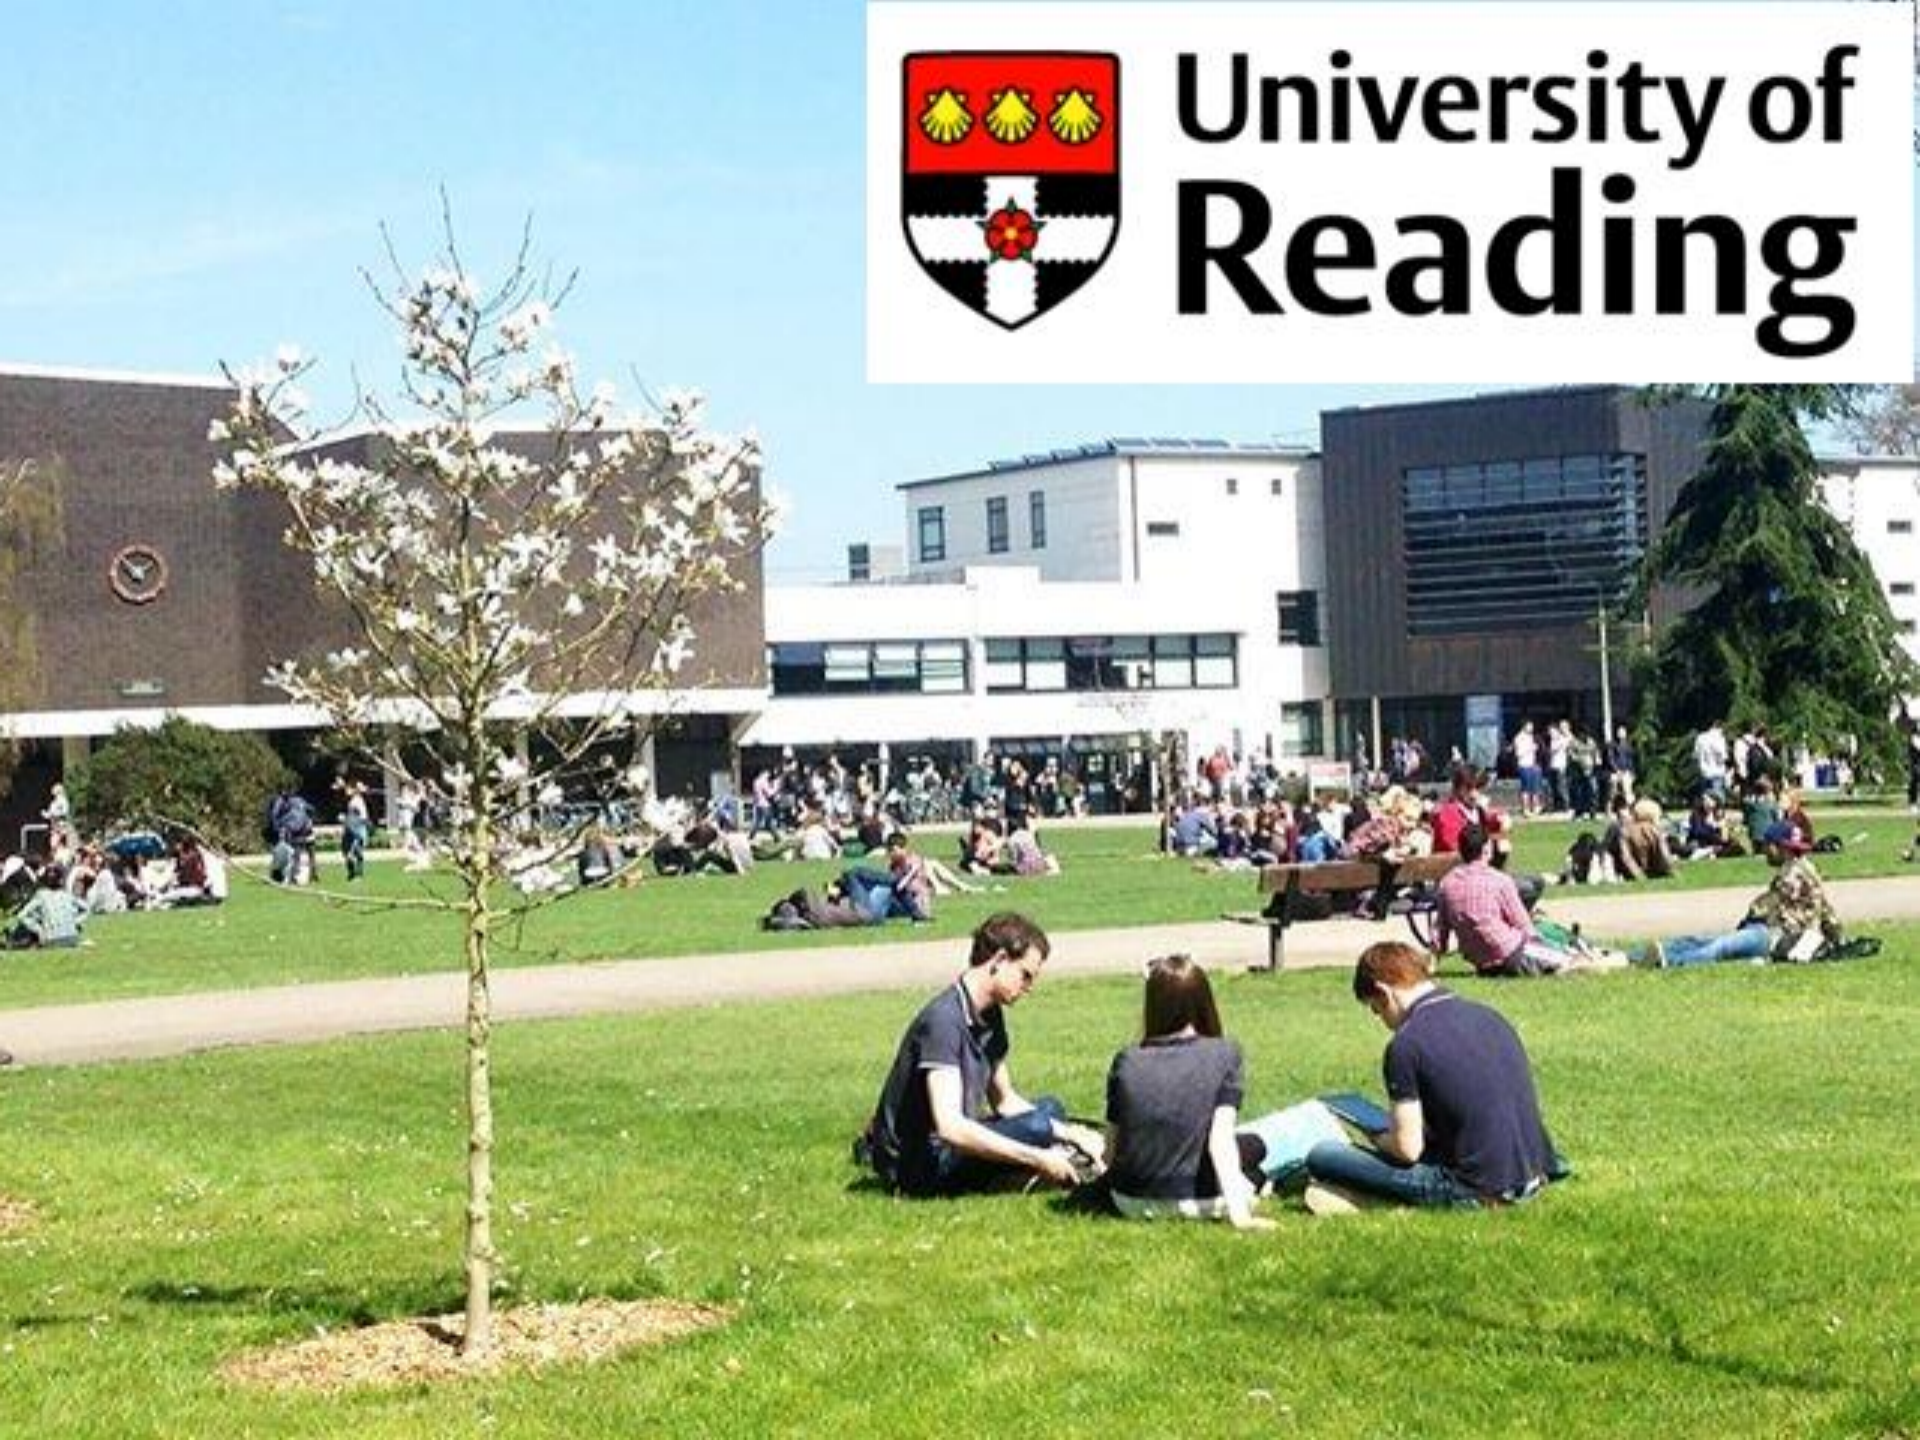

Planned for January 2024:

- a week-end (from Friday early evening to Sunday early afternoon) at Cumberland Lodge, a magnificent former royal residence in the heart of Windsor Great Park
- Students pay a fee but heavily subsidised by School
- Series of talks on a range of relevant topics: inequality, meritocracy, climate change etc.....
- Free time to visit park, Windsor etc...
