1	Semester Opening Event: KDIS Music Club Open House Session	The aim of the event was to introduce new students to the Music Club, recruit new members as well as meet the old Music Club members after the summer break. The event took place at the KDIS Soccer Field in an informal atmosphere. The event was a great change to get to know each other, share our favorite melodies and stories of why we love music so much. As a result of the event, several singers and musicians joined the Music Club. The Music Club used the opportunity and applied for participation at the KDIS International Food Festival as a performer. As one of the most popular KDIS events that took place for the first time since the pandemic started, we were glad to prepare a performance for this special occasion. This was our first collaboration with the KDIS Zumba Club who prepared choreography and danced at the event.	2022-09-28	~ 25-30
2	KDIS Food Festival	This was an important team building event and a chance for old and new Music Club members to get to know each other better.	2022-10-28	~ 15 performers (with dancers from Zumba Club)
3	Music Club Dinner	Cafe Busking was organized in cooperation with the KDIS Women Leaders Forum and KDIS Zumba club. This event took place within the framework of the 16 Days of Activism against Violence against women which is a global UN initiative. Eight different performances were prepared for the event with songs discussing this topic and raising awareness about the problem. The songs were sang not only in English, but also in Korean, Tagalog, Spanish and Farsi to reflect how violence against women is an issue worldwide. The KDIS Zumba Club performed a dance for the song "Baraye" which has become an anthem of the Woman.Life.Freedom movement currently taking place in Iran. The event also had an open mic opportunity during which students shared their opinions and reflections on the topic, as	2022-11-02	8
