CHALWE, Bright / 2021 Spring / MIPD / Zambia / National Technology Business Centre

I was awarded a scholarship by KDI School, and attended the first semester from Zambia before travelling to South Korea, having taken a leave of absence from employment. Classes conducted by KDI School professors were amazing despite most of the lectures were held online; the professors effectively made it possible to make their class sessions engaging. KDI School classrooms and library areas were conducive as well for enhancing the learning process. Dormitory life at KDI School was excellent, as the School provided modern facilities, ranging from rooms with adequate amenities, kitchen facilities for cooking, as well as laundry rooms and fitness centres. International students from various background also enhanced both my dormitory and classroom experiences.

PRUKPRAKARN, Tanaracht / 2020 Spring / MDP / Thailand / Bank of Thailand

As KDI is the think tank on policy management, the first goal for my study here at KDI School was to gain innovative knowledge and critical thinking skills, as well as to learn the development experiences of other countries which will help me become a successful policymaker. Also, exploring Korean culture and engaging in cultural exchanges with KDI friends has made my study period here much more enjoyable, while creating global connections. KDI School helped me to have this great chance for me to gain new knowledge and experiences with my new friends within the warm community despite the pandemic.

BROWN, Sam Jaymu / 2020 Fall / MPM / Liberia / Afriland First Bank Liberia Limited

It has been a challenging but worthy experience during my stay at South Korea as an International Student which helped me broaden my horizon interculturally, intellectually and professionally. During my study at KDI School, I was able to meet friends from different countries and professors from diverse backgrounds. This has changed my way of dealing with people and thinking socially and professionally. Thanks to my study at KDI School, I am able to understand better and find solutions to real world problems. My research and strategic thinking skills have been greatly enhanced as well.
