Instruction for Club Activity			
<ol style="list-style-type: none"> The club should initiate activities according to its purpose and objectives. The club should share both the plan and results of its activity with all school members by posting related materials on your club SNS. The club should submit a detailed report of its activity and receipts at the end of every semester. Financial support from the KDI School will be processed after reviewing the report. (*receipts must be kept!) The student club must immediately submit a 'Change of Student Representative form' to the Student Affairs Division if there is a change in representatives during a semester. 			

I hereby agree to abide by the KDI School rules and regulations in promoting and operating the club activities to contribute to building social community in KDI School.
