Australian
National
University

01. ANU'S PILLAR IN PUBLIC POLICY RESEARCH & EDUCATION

- ❖ ANU is Australia's national university
- ❖ Crawford School of Public Policy, a unique institution in ANU and in Australian higher education
- ❖ A legacy that sets our standard
 - ❑ In honour of Sir John Crawford
 - ❑ School development
 - ❑ New era, new milestones, on a global stage

❖ ANU IS AUSTRALIA'S NATIONAL UNIVERSITY

- ❑ One of the top universities in Australia, Asia and the Pacific and the world.
- ❑ ANU works with governments, private sector and other research institutes to explore, investigate and develop ideas and solutions to major issues facing Australian society and the world.
- ❑ Its academic staff are at the forefront of technology development and exploration, whether it be in human health, chemical and earth sciences, public policy, the arts or the computer sciences.

Our university and location

A talented community

#One of the top universities in Australia¹

#34 in the world¹

95% research rated above or well above world-standard²

5 stars staff-to-student ratio³

#1 most employable graduates in Australia⁴

In the heart of Canberra, the nation's capital

#1 highest average income and lowest unemployment in Australia⁵

#5 most sustainable city in the world⁶

#3 best student city in the world⁷

3 hours' drive to Sydney

2 hours' drive to the snow or the sea

25% of population speaks a language other than English

1. QS World University Rankings 2024. 2. Australian Government Excellence in Research for Australia Report 2018–19. 3. Good Universities Guide 2021. 4. Times Higher Education 2020. 5. Life in Australia Report 2019. 6. Lonely Planet Best in Travel 2018. 7. QS Best Student Cities Australia 2021

Our people

- ANU students come from across Australia and 100 countries around the world.
- Our community includes 6 Nobel laureates;

2011 Professor Brian Schmidt AC (Physics)

1996 Professor Rolf Zinkernagel AC
& Professor Peter Doherty AC (Medicine)

1994 Professor John C Harsanyi (Economics)

1963 Professor John Eccles AC (Medicine)

1945 Lord Howard Florey OM (Medicine)

❖ CRAWFORD SCHOOL, A UNIQUE INSTITUTION IN ANU AND AUSTRALIAN HIGHER EDUCATION

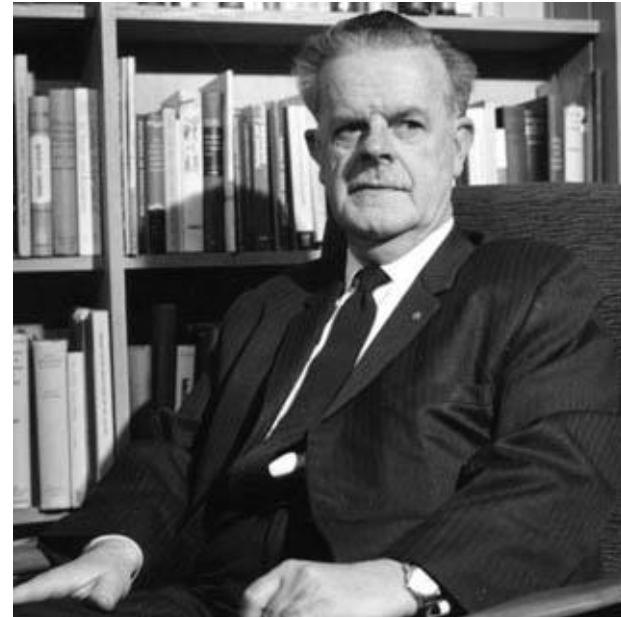

- ❑ a leading centre for public policy research and teaching, focusing on Asia and the Pacific region
- ❑ developed from the National Centre for Development Studies (NCDS) into one of the elite public policy schools in the world, with a rich and diverse history spanning over 6 decades
- ❑ a research led, professionally-oriented, graduate school
- ❑ a carrier of the ANU mandate to address issues of national and international significance through world-class research and teaching
- ❑ deeply committed to improving public policy capability

❖ A LEGACY THAT SETS OUR STANDARDS

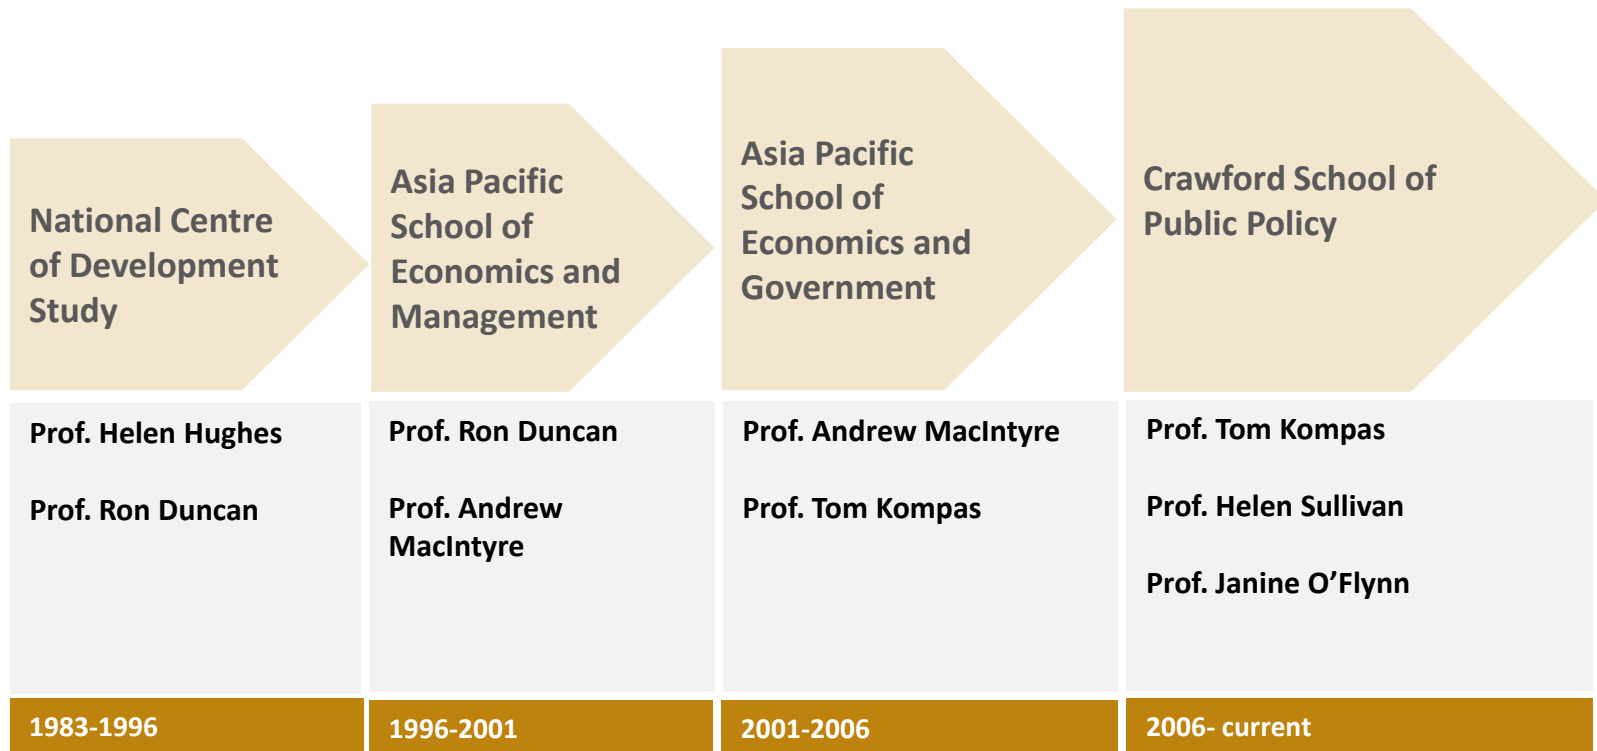

- ❑ Our school was proudly named in honour of Sir John Crawford (1910-1984), a distinguished Australian Economist, a great Australian policymaker, a distinguished leader of the ANU (as Vice Chancellor 1968-73 and Chancellor 1976-84), and a pioneer in the building of an Asia-Pacific economic and public policy community. Sir John Crawford played a key role in the development of the ANU and the Australian aid programs.

□ SCHOOL DEVELOPMENT

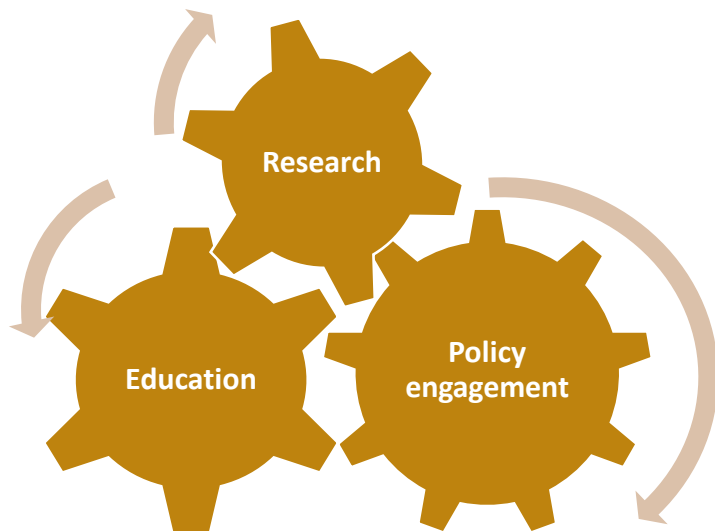

□ NEW ERA, NEW MILESTONES, ON A GLOBAL STAGE

- As of 2 Jan 2024, Crawford school officially becomes a proud member of the Association of Professional Schools of International Affairs (APSIA), [a prestigious global network](#) that fosters collaboration, information exchange, and idea sharing. We are amongst the world's best public policy schools including
 - Stanford University's Freeman Spogli Institute for International Studies
 - University of Michigan's Gerald R. Ford School of Public Policy
 - Yale's Jackson School of Global Affairs
 - University of Toronto's Munk School of Global Affairs & Public Policy
 - Columbia University's School of International and Public Affairs
 - Harvard Kennedy School
 - Princeton's School of Public and International Affairs, and other 30 top universities
- In 2023, the [Best Universities for Public Policy/Administration in the World \(EduRank 2023\)](#) ranked ANU Crawford School of Public Policy as No. 12 amongst the very top public policy schools globally.
- Up to most recently, [RePec](#) has consecutively listed Crawford School as No. 5/6 of public policy schools globally in the field of economics.

02. SCHOOL PROFILE

- ❖ School leadership
- ❖ Public policy research in multi and inter-disciplines
- ❖ Research-led postgraduate education with ANU Awards
- ❖ Executive Education
- ❖ Connections & Policy Engagement
- ❖ Academics and professional staff
- ❖ Students

❖ SCHOOL LEADERSHIP

❖ EXECUTIVE EDUCATION

❏ Programs

- Bespoke programs
- International programs
- Short courses

❏ Categories

- Policy Essentials
- Economics, Data Analysis and Decision Making
- Skills for Future Leaders
- Public Sector Leadership for Senior Executives

❏ Features

- Exceptional executive education for public, private and not-for-profit organisations
- Premium online and in person programs
- Flexible and high-quality learning experience to meet participants' various needs and circumstances
- Participants prepared and enabled to accept, adapt and lead through uncertainty.
- Unique and leading training opportunities to current and future policy professionals.

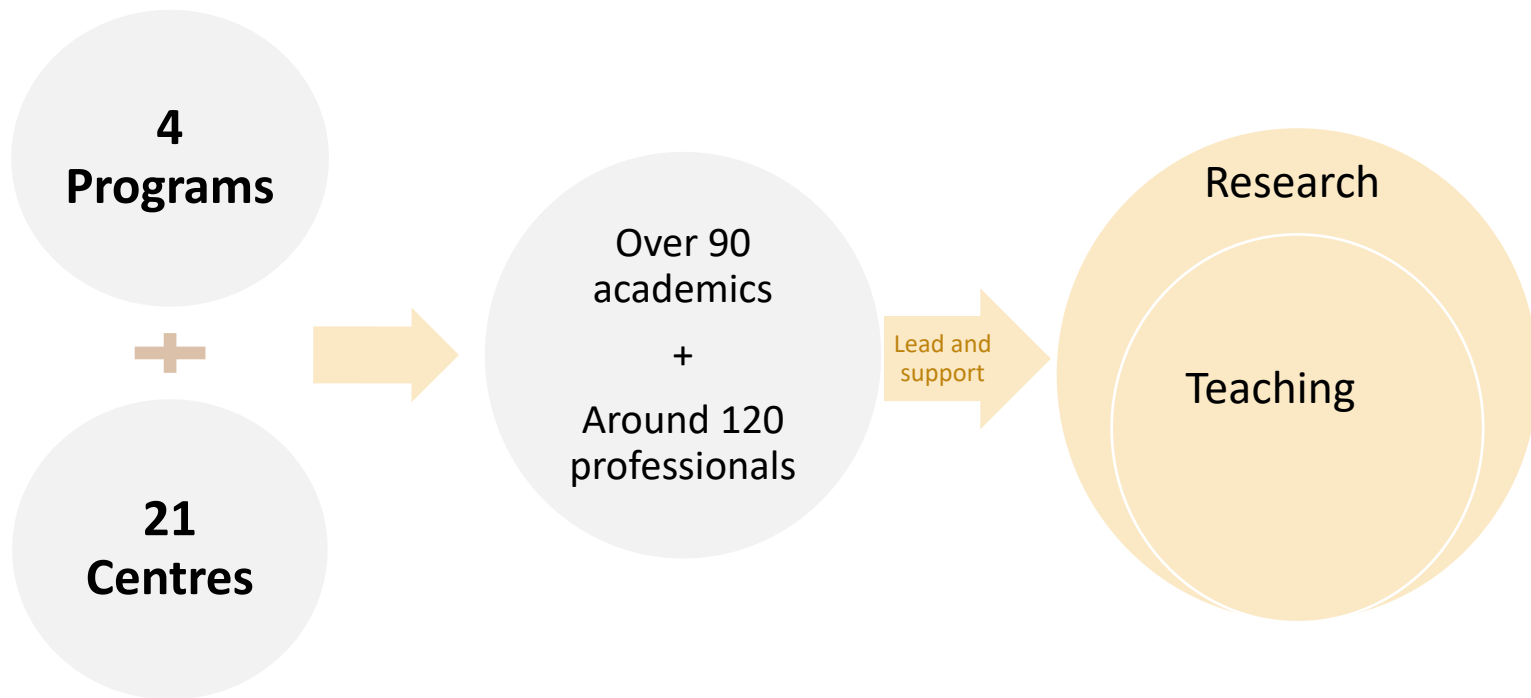

❖ CONNECTIONS & POLICY ENGAGEMENT

- Publications, e.g. Policy Forum Pod, East Asia Forum, APPS, APEL etc.
- Social media engagement with wider communities
- Online and offline seminars and roundtables by renowned researchers and policy practitioners from Australia and around the globe
- Joint programs with other top universities around the region and the world
- Federal and state government partnerships, consultations and reviews
- Regional and international institution partnerships
- Executive education for national and international public servants
- Global alumni network

❖ ACADEMIC & PROFESSIONAL STAFF

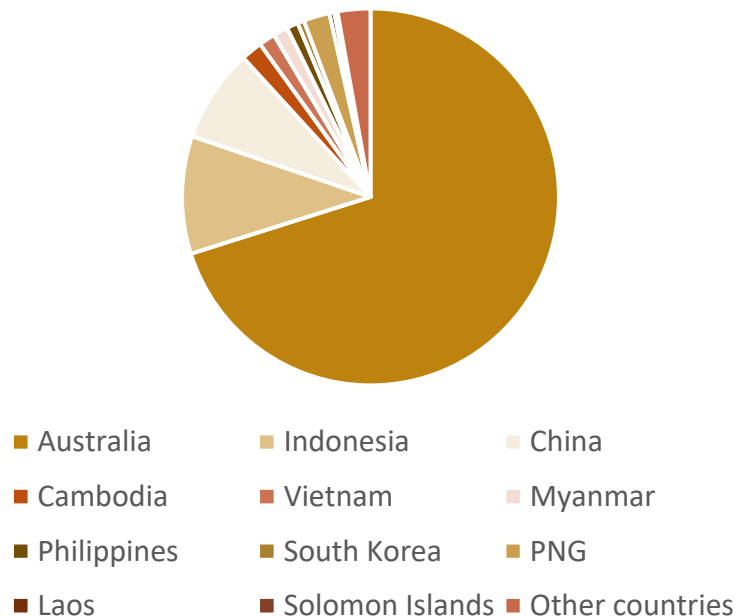

❖ STUDENT PROFILE

- ❑ Enriched multinational culture, approximately 1000 students from over 30 countries (2023)
- ❑ Most popular public policy study destination for the Asian and Pacific students
- ❑ Various levels of postgraduate study (2023)
 - Graduate Certificate students: 150
 - Master students: 720
 - PhD students: 120
- ❑ Age range: 22-55

Original countries (2023)

03. WE LEAD IN POLICY RESEARCH AND IMPACT

- ❖ School mission
- ❖ Comparative advantages
- ❖ Policy impact and engagement

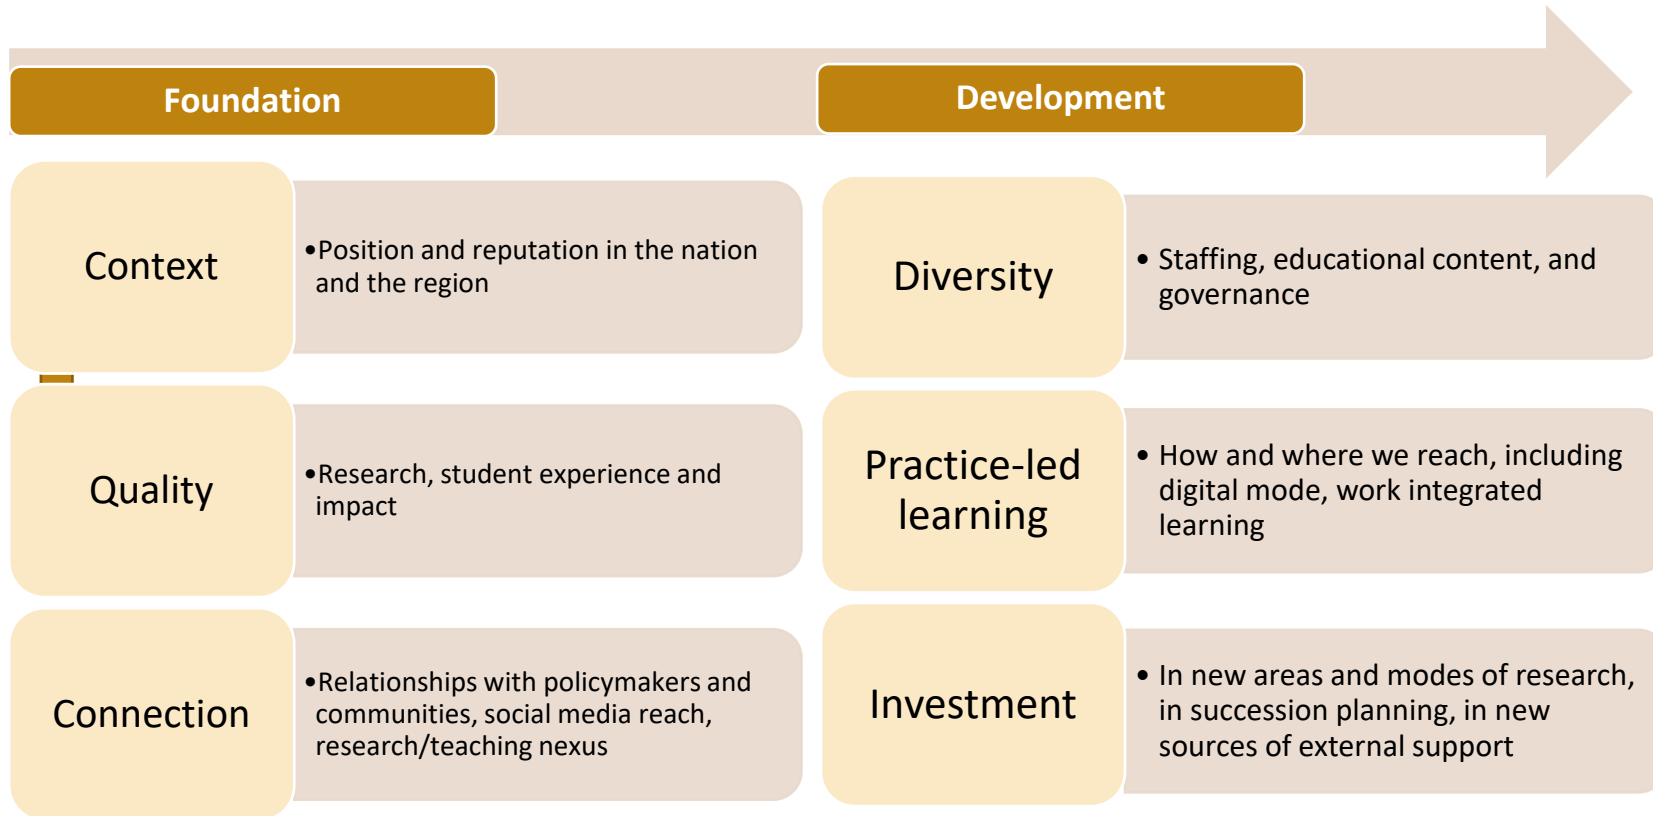

❖ SCHOOL MISSION

- ❑ Be at the forefront of public policy research, education and impact, consistent with being one of the world's leading public policy schools.
- ❑ Generate new knowledge of the highest quality, support its application through our education and engagement activities, and improve outcomes at individual, institutional and societal levels.

❖ COMPARATIVE ADVANTAGES

❖ POLICY IMPACT AND ENGAGEMENT

- ❑ Widely published cutting-edge research to provide answers to challenging issues facing our region and the world
- ❑ Research led education to forge and foster leaders with knowledge and skills for the future development of local and global communities
- ❑ Engagement with governments, regional and international institutions, ngos, private sectors
- ❑ Constant contribution to and strong impacts on public policy debates and community development worldwide

POLICY IMPACT AND ENGAGEMENT

Prof. Quentin Grafton, Chair holder UNESCO Chair in Water Economics and Transboundary Water Governance and a Commissioner and Lead Expert for the Global Commission on the Economics of Water (2022-23).

Prof. Frank Jotzo, appointed to lead the Australian Government's Carbon Leakage Review and formal roles in high level advisory to Ministers and in technical advisory to government departments and agencies.

Prof. Renee Fry-McKibbin, a Fellow of the Academy of Social Sciences in Australia where she is Chair of the disciplines in Panel B: Business and Economics. She jointly conducts the first independent review of Australian Reserve Bank.

Prof. Rory Medcalf, an independent adviser to the Australian Government's 2016 Defence White Paper, a member of the Board of the National Foundation for Australia-China Relations, the ASEAN Regional Forum Register of Experts and Eminent Persons.

Prof. Stephen Howes, a member of the Advisory Group appointed by DFAT for the Pacific Australia Labour Mobility scheme and a member of the External Advisory Group for Australia's new - 2023 - international development policy.

Emeritus Prof. Peter Drysdale, the leading intellectual architect of APEC, a recipient of the Asia Pacific Prize, the Weary Dunlop Award, the Japanese Order of the Rising Sun with Gold Rays and Neck Ribbon, and the Australian Centenary Medal.

POLICY IMPACT AND ENGAGEMENT

Prof. Warwick McKibbin, served for a decade on the Board of the Reserve Bank and serves on the Australian Prime Minister's Science, Engineering and Innovation Council and on the Taskforce on Uranium Mining Processing and Nuclear Energy.

Prof. Sharon Bessell, the Australian Financial Review's Women of Influence 2019. She designed the research methodology that led to the Individual Measure of Multidimensional Poverty IMMP.

Prof. Janine O'Flynn served on the Advisory Board for the Australian Public Service Commission Centre for Leadership and Learning. In 2022 appointed to the Advisory Board of the Victorian Public Sector Commission, and the Institute for Public Administration Australian Council (ACT).

Prof. Sango Mahanty, appointed by Australian Foreign Minister Penny Wang to the Australia-ASEAN Council Board and also serves on the Ministerial Advisory Committee on Industrial Chemicals.

Prof. Peter Whiteford, appointed Member of the Australian Government's Interim Economic Inclusion Advisory Committee. He worked as a Principal Administrator in the Directorate of Employment, Labour and Social Affairs of the OECD in Paris.

Prof. Robert Breunig, a Fellow of the Academy of the Social Sciences in Australia, works regularly with gov agencies to improve Australians' wellbeing through government policy.

...and a lot more...

04. WE STRIVE TO PREPARE STUDENTS TO BE SUCCESSFUL FUTURE LEADERS

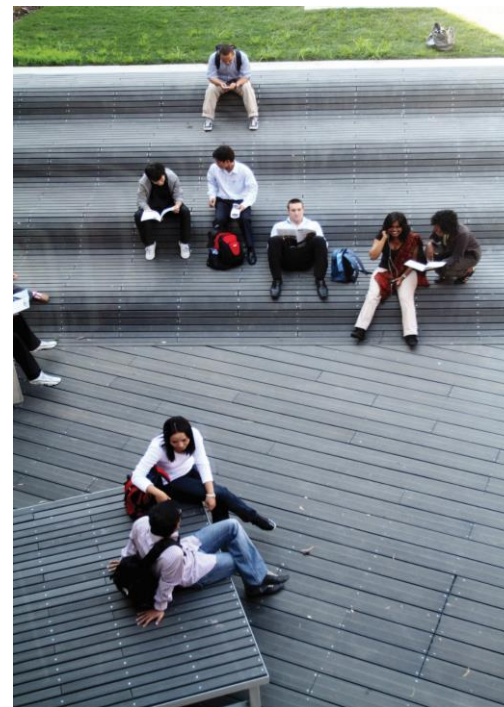

- ❖ Research led teaching
 - ❑ Program advantages
 - ❑ Academic skills guiding and training
 - ❑ Flexible learning
- ❖ Internships and exchange programs
- ❖ Scholarships
- ❖ Partnerships
- ❖ Overall student care
- ❖ Unparalleled location and living environment
- ❖ Outcomes of what we do
 - ❑ Alumni networking

❖ RESEARCH-LED TEACHING

- ❑ World class interdisciplinary research generates new knowledge and supports teaching in the fields of:
 - **Policy and Governance**
 - **Development Economics**
 - **Resources, Environment and Development**
 - **National Security Policy**
- ❑ World class researchers/teachers enlighten students with deep insights and most up to date research findings, widen students' visions, enhance students' capabilities and equip students with advanced skills that are in high demand of the society to tackle confronting issues.

TEACHING PROGRAM ADVANTAGES

- Wide range of specialisations
- Academic skills advisors
- Cross-campus elective courses
- Diversity of student cohort: national and international students from rich varieties of communities and cultures
- Access to extensive seminars, guest lectures and forums by nationally and internationally-renowned policy researchers and practitioners
- Close connections with government bodies in the Australian national capital

❑ ACADEMIC SKILLS GUIDING AND TRAINING

- Pre-sessional program (PSP) is a unique opportunity for starters to rapidly get prepared for their postgraduate study.
- Crawford Academic Skills team provides support and resources to help students develop and strengthen their academic and research skills needed for graduate study.
- During semesters, students can attend academic skills workshops and book an individual consultation with an advisor.
- Helpful online resources are posted on the Academic Skills site in Wattle for easy access.
- There is a specialist Academic Skills Advisor for Crawford PhD students.

□ FLEXIBILITY IN LEARNING

- Both online and in-person learning modes are available.
- Teachers, tutors, academic advisers available for consultation.
- Cognate credits toward Master study
- Graduate Certificate credits toward Master study

❖ INTERNSHIP AND EXCHANGE PROGRAMS

❖ English language requirements

For students from Group A countries, including Australia (visit ANU website for the Group A country list)

- Completion of two years of full-time (or equivalent) tertiary education within the last four years, in the medium of English.
- Study must be undertaken at a recognised institution, in the national education system (or equivalent) of a Group A country, including Australia.

For international students from countries not listed in Group A

- Successful performance in a single acceptable English language test taken within two years from the date of application.
- Documentary evidence which confirms that the tertiary qualification was taught and assessed entirely in English, must be minimum of two years full-time (or equivalent) within the last 4 years.

Requirements for accepted English language tests

- **IELTS 6.5**, with minimum 6.0 in each band
- **TOEFL iBT Paper Edition 570**, with a TWE score of 4.5. Use ANU TOEFL code 0506 to report the result.
- **TOEFL iBT 80 (excluding paper edition and home edition)**, with minimum 20 in Reading and Writing and 18 in Speaking and Listening.
- **Cambridge CAE Advanced (Post 2015) 176**, with a minimum of 169 in all sub-skills.
- **PTE Academic 64**, with a minimum score of 55 in each of the communicative skills.
