VISAS

International students wishing to study in Mexico must take into account the following information according to their nationality and duration of their studies in Mexico.

FOR 1 SEMESTER OF STUDY ONLY "VISITORS WITHOUT PERMISSION TO PERFORM PAID ACTIVITIES"

To participate in an academic program at UDLAP with duration of up to 180 days, students can travel to our country as a **Visitor** (previously known as *Tourist*) if they are citizens of a country without visa restrictions in Mexico. This condition of stay authorizes students to remain in Mexican national territory uninterruptedly for no more than 180 days from the date of entry, **without permission to engage in remunerated activities**. Foreigners who come to Mexico as **Visitors** without permission to perform remunerated activities cannot change their migratory status and will have to leave the country by the end of the authorized period of stay.

EXCEPTION: If the student come from a country with visa restrictions in Mexico, he/she will need to request a **Temporary Resident Visa-Student** at the nearest Embassy or Consulate of Mexico, as he/she will not be able to enter the country as a visitor.

FOR 2 OR MORE SEMESTERS OF STUDY "TEMPORARY RESIDENT VISA- STUDENT"

To participate in an academic program at UDLAP for longer than 180 days, it is necessary to have a *Temporary Resident Visa- Student*, and students will need to complete a 3-step process:

1. Request for a visa at the nearest Embassy or Consulate of Mexico. The visa is issued for 180 calendar days, valid for a single entry to Mexico during this period.
2. When students enter Mexico at the Airport, they will be given a "*Forma Migratoria Múltiple (FMM)*" which they will need to present to the "*Instituto Nacional de Migración (INM)*" once they are in Mexico to get the *Temporary Residence Permit*.
3. Once in Mexico, a *Temporary Residence Permit* must be requested from the INM within the first 30 calendar days from the date of entry into the national territory. This card will be valid for one year and allows multiple entries to Mexico. If this procedure is not completed within the 30 designated days, the student will be subject to pay a fine to the INM.

The International Office provides information to all students about this process, but it is the student's responsibility to fulfill the INM's requirements.

Students coming from countries that require a visa to travel to Mexico must request it before traveling to Mexico. The UDLAP International Office will send an Acceptance Letter in order for students to process a student visa, if necessary.
